

Financial Reporting

The receipt and use of special education funds by the Member LEAs comes with several reporting responsibilities. Information about the reports and the due dates are listed below:

Reports

Maintenance of Effort (MOE) ([pending link](#))

Excess Costs ([pending link](#))

[Federal IDEA Expenditure Reports](#)

[Private School Proportionate Share Assurance](#)

* In order to complete your private school proportionate share calculation you will need End of Year data from the CALPADS EOY submission. You will need the June 30th counts for code 200 (eligible students) and 700 (potentially eligible). **This information comes from CALPADS EOY 4 reports, not from your Special Education Data System. - SELPA runs this report and sends it to LEAs.**
