The Sacramento County SELPA is a multi-district SELPA comprised of seven school districts, one charter school, and the Sacramento County Office of Education. LEAs in Sacramento County SELPA Include: Arcohe Union School District, Center Joint Unified School District, Elverta Joint School District, Galt Joint Union School District, Galt Joint Union High School District, River Delta Unified School District, Robla School District, Natomas Charter School, and Sacramento County Office of Education (special education services). Total Enrollment as of October, 2022 is 15,316

Sacramento County SELPA is exclusive of the following single district SELPAs which are also located within Sacramento County: San Juan USD, Sacramento City USD, Elk Grove USD, Folsom Cordova USD, Natomas USD and Twin Rivers USD. Each of these are independent and single-district SELPA's.

2. Describe the SELPA regional governance and administrative structure of the local plan. Clearly define the roles and structure of a multi-LEA governing body, or single LEA administration as applicable: [*EC 56195.1(b)(1)-(3)(c); EC 56205(a)(12)*]

The LEAs are joined together to provide for the coordinated delivery of programs and services to students with special needs. The Sacramento County Office of Education is the designated Responsible Local Agency (RLA) or Administrative Unit (AU) for the Sacramento County SELPA. The Sacramento County Office of Education is considered an LEA for all purposes of this Local Plan, except where referred to as the AU. In adopting the Local Plan, each participating LEA agrees to carry out the duties and responsibilities assigned to it within the Local Plan and to ensure equal access to programs and services to eligible persons requiring special education in the service region.

The function of the Sacramento County SELPA is to provide a quality educational program appropriate to the needs of each eligible child with a disability, who resides within the Local Plan Area and to those eligible individuals who are residents of other SELPAs, who may need services and who in accordance with the provisions of the annual budget plan of the cooperating Local

The governance structure of the SELPA is established by agreement among the governing boards of the member LEAs and consists of the Superintendents Coordinating Council (SCC), the executive decision-making body and the Community Advisory Committee (CAC), which serves as advisory bodies to the SCC. The SELPA Administrator may convene additional committees. The SELPA Administrator is responsible for the coordination of the SELPA and the implementation of the Local Plan. The SCC and CAC are public meetings providing a method by which members of the public may address questions or concerns to the governing body. The SCC meetings operate under the requirements of the Ralph M. Brown Act (Brown Act). The CAC operates under the Ralph M. Brown Act as modified by Education Code 35147.

3. Describe the SELPA's regional policy making process. Clearly define the roles of a multi-LEA governing body, or single LEA administration as applicable related to the policy making process for coordinating and implementing the local plan: [EC 56195.7(i)(j)(1)(2)]

The governing body of the Sacramento County Special Education Local Plan Area is the Superintendents Coordinating Council (SCC). The SCC consists of seven (7) District Superintendents, one Charter Executive Director, and the County Superintendent. In recognizing the importance of each Superintendent's role in the SCC, the designation of alternative representatives to the SCC are not permitted. Each LEA has one vote on the SCC. Actions are approved by a simple majority of those members present. With prior written notification to the Chair, Vice Chair, or SELPA Administrator, a Superintendent may participate via telecommunication.

The SCC, with input from the LEA special education administration and staff, as well as the CAC, provides leadership in the development of statements of policies and procedures, goals, priorities, and plans for the comprehensive and systematic provision of special education programs and services and recommending their adoption by participating boards.

The primary function of the SCC is to promote cooperation and communication among the districts, and the County Office of Education, and to be responsive to any special education concerns which require an executive decision by the Superintendents. The SCC also establishes policy and guidelines in compliance with procedures set forth in this Local Plan for special education. The regular meetings of the SCC shall be open to the public and provide for community input. Questions or concerns may also be addressed to the SELPA Administrator.

A Superintendent is selected as chairperson of the SCC, serving a two-year term, until replaced by vote of the SCC. A vice chairperson is also elected, who serves as chairperson in the event that the elected chairperson is unable to fulfill their duties as prescribed in this Local Plan. Agendas for SCC meetings are developed in collaboration between the SELPA Administrator and the SCC chairperson and County Superintendent. The SCC meets four times per school year. Work group meetings may be held to deepen an understanding of specific SELPA issues such as SELPA Finance/Budget.

Board policy of each LEA member of the Sacramento County SELPA shall indicate that the LEA is responsible for educating students with disabilities in the least restrictive environment. Students with disabilities are serviced in their home districts whenever the needs identified in the individualized education program can be met in the home district. However, it is recognized that some students with disabilities have unique educational needs that cannot be met in their home districts. Because of such identified unique needs, some students receive services from other district or the Sacramento County Office of Education. The Local Plan serves as the contractual agreement for student with disabilities placed in regional programs.

10. For multi-LEA local plans, specify:

- a. The responsibilities of each participating COE and LEA governing board in the policymaking process: [EC 56205(a)(12)(D)(i)]

The Governing Boards of SELPA LEAs shall adopt policies and procedures for special education programs and services provided in the SELPA. Such policies and procedures shall include but not be limited to all areas required by the Education Code. The LEA Governing Boards will determine and be responsible for special education programs and related services offered in their district, as well as for special education curriculum decisions. Each LEA Board, by certification of the Local Plan, assures equal access to appropriate assurances and procedures and will review and approve revisions to the Sacramento County SELPA Local Plan. By approving the Local Plan, the LEA Governing Board enters into an agreement with the other local education agencies participating in the Local Plan, for the provision of services and programs.

Section B: Governance and Administration

SELPA

Fiscal Year

The LEA Governing Boards exercise authority over the programs they directly maintain, consistent with the Local Plan for the SELPA and individual district policies. They shall be fiscally accountable for special education programs operated by their agency (EC 56195.5 (a)). This applies to all Charter Schools that are chartered by LEAs located within the member LEAs of the Sacramento County SELPA. All approved charter schools will be deemed public schools within the chartering entity unless the charter has been deemed an LEA in accordance with Sacramento County SELPA Charter School Policy.

- b. The responsibilities of the superintendents of each participating LEA and COE in the implementation of the local plan: [EC 56205(a)(12)(D)(i)]

The District Superintendents are responsible to their respective Governing Boards. They participate on the Superintendents' Coordinating Council and are responsible for approving policies for the operation of the Local Plan as well as the assurance that a full continuum of services is available to all students with disabilities for whom they are responsible. Each superintendent is responsible for their district's special education budget preparation. LEA Superintendents are responsible for the operation of programs and services within their district, as well as the maintenance and operation of the facilities for special education programs and services.

Responsibilities of the LEA (County/District) Superintendent in the implementation of the Local Plan include the following:

SELPA

Each LEA shares in a cooperative effort to provide for the special education needs of all students with disabilities within this SELPA.

- c. The responsibilities of district and county administrators of special education in coordinating the administration of the local plan: [EC 56205(a)(12)(D)(i)]

Any reference to LEA Special Education Director will refer to the person assigned to act as the lead Special Education Director for an LEA providing special education programs and services for students. The function of each LEA Special Education Director is to provide leadership in the development, implementation, evaluation and improvement of special education programs and services within the LEA. The LEA Special Education Director or Administrator is appointed by the LEA Superintendent as a member of the SELPA Operations Council (Ops Council). The LEA Special Education Director is expected to work cooperatively with other LEAs to plan and coordinate educational programs and services for students with disabilities within the SELPA. The Special Education Director will facilitate communication between the CAC representative(s) and other community and parent groups.

- 11. Identify the respective roles of the RLA/AU, the SELPA administrator, and the individual LEAs associated with the SELPA related to:

- a. The hiring, supervision, evaluation, and discipline of the SELPA administrator and staff employed by the AU in support of the local plan: [EC 56205(a)(12)(D)(ii)(I)]

The Sacramento County Office of Education, as the Administrative Unit, shall be assisted in the hiring and selection process of the SELPA Administrator by the Superintendents Coordinating Council. The SELPA Administrator is subject to the Administrative Unit's policies and procedures for day-to-day operations but receives direction from, and is responsible to, the SCC. The SELPA Administrator is evaluated by the AU Superintendent or Deputy Superintendent with input from the Superintendents Coordinating Council.

- b. The local method used to distribute federal and state funds to the SELPA RLA/AU and to LEAs within the SELPA: [EC 56205(a)12(D) (ii)(II); EC 56195.7(i)]

The SELPA is committed to a Hold Harmless philosophy of distribution of funds among the LEAs with the Superintendents' Coordinating Council having final approval via vote. SELPA Allocation model provides off the top funding for the County Office of Education and the SELPA, after which funds are distributed to each LEA based on a SCC approved base amount. COLA and

additional funds are added to the base for succeeding year. Distribution of any supplemental funds or growth builds base funding with opportunity for one time monies in each district. The formula for distribution of funds is based on such components as prior year ADA, Census Day Student Counts, scarcity, regional programs, preschool programs, and eligibility for growth funding. It is recognized that a goal of the formula is to assure that a full continuum of services exists for all students, while ensuring that the Hold Harmless principle applies to all districts.

The primary responsibility for monitoring the appropriate use of federal, state, and local funds allocated for special education programs is maintained at the local district level. The SELPA Administrator and AU staff provide consultation and assistance to the local district in appropriate utilization of special education funds upon request.

Annual allocation planning begins at the Superintendents' Coordinating Council (SCC) meeting following P1 certification, at or around the end of February or beginning of March. The SELPA Administrator shares the preliminary recommendations, based on LEA, SELPA, and AU needs, with the members of Operations Council for their input and suggestions. The SELPA Administrator discusses recommendations with the SCC who may request an Executive Sub Committee convene to further study the allocations and to make budget recommendations. The final budget is developed with the SCC approval at a public meeting at or before the end of June, annually. County Office timelines are followed for budget preparation, submission, approval, and adoption.

c. The operation of special education programs: [EC 56205(a)(12)(D)(ii)(III)]

Each district board approves programs to be operated within its jurisdiction. The Sacramento County Office of Education establishes and maintains special education programs and services that are most effectively provided by the County Office of Education. The Sacramento County Office of Education functions as an LEA and has status equal to other LEA district program operations.

d. Monitoring the appropriate use of federal, state, and local funds allocated for special education programs: [EC 56205(a)(12)(D)(ii)(IV)]

Each LEA is independently audited annually.

For the purpose of reviewing and submitting mandatory reports, including the Excess Cost Calculation, Special Education Maintenance of Effort - Actual (SEMA), and Special Education, Maintenance of Effort - Budget (SEMB), the SELPA annually collects and aggregates LEA special education financial data. SELPA aggregates data for federal grants, including calculation of proportionate share.

12. Describe how specialized equipment and services will be distributed within the SELPA in a manner that minimizes the necessity to serve students in isolated sites and maximizes the opportunities to serve students in the least restrictive environments: [EC 56206]

Funds for low incidence equipment, materials, and supplies as well as for low incidence service are used to support students in the following disability categories: hard-of-hearing, deaf, visual disability, severely orthopedically impaired, and deaf-blind. The funds are administered through the Sacramento County SELPA as specified in the Sacramento County SELPA LI Allocation Plan, and include receipt of funds, expenditure of funds, maintenance of an inventory, development of procedures for exchange of equipment, and reporting to the state.

Description:

with Disabilities Act ("IDEA") and state special education laws, shall receive that instruction and those services at no cost to his or her parents or, as appropriate, to the student. A FAPE shall be available to individuals with exceptional needs in accordance with Section 1412(a) (1) of Title 20 of the United States Code and Section 300.101 of Title 34 of the Code of Federal Regulations.

Adults who are aged 18-22 years, have not graduated with a high school diploma, who, at the time they have turned 18 were identified as an individual with exceptional needs and had an individualized education program ("IEP") under the IDEA, are also entitled to a FAPE (hereinafter "eligible adults"). This applies to adults imprisoned in California adult jails and prisons. However, an individual aged 18 through 21 years, who, in the educational placement prior to his or her imprisonment in an adult correctional facility was not identified as an individual with an exceptional need or did not have an IEP under the IDEA, is not entitled to a FAPE.

For eligible adults who prior to reaching the age of majority resided within the Sacramento County SELPA geographic boundaries, the applicable LEA within the SELPA shall ensure they are provided FAPE.

If the parent relocates to a new District of Residence (DOR) , the new DOR shall become the responsible LEA. If the student is conserved, the DOR of the conservator shall be the responsible LEA , as long as and until the conservator relocates or a new one is appointed. At that time, the new DOR shall be the responsible LEA.

Once the LEA is informed that one of its residents is an eligible adult imprisoned at an adult correctional facility, it will revise the individual's IEP as necessary, including conducting an annual review, as needed, subject to the cooperation of the correctional facility where the student is located. The LEA will determine whether the qualified individual is provided a FAPE pursuant to IDEA and corresponding California special education code.

To receive special education services while imprisoned, a qualified individual must consent to the receipt of such services and enroll in the adult education program at the adult correctional facility. The following special education exemptions apply to eligible individuals who are convicted as adults under State law and imprisoned in adult prisons:

- 1) The requirements set out in 20 U.S.C. § 1412(a)(16) and 20 U.S.C. § 1414(d)(1)(A)(i)(VI) (relating to participation in general assessments) do not apply. Eligible individuals convicted as adults

under State law and imprisoned in adult prisons are exempted from participation in State and district wide assessment programs under IDEA.

2) The requirements of items (aa) and (bb) of 20 U.S.C. §1414(d)(1)(A)(i)(VIII) (relating to transition planning and transitional services), do not apply with respect to such individuals whose eligibility under the IDEA will end, because of their age, before such individuals will be released from prison.

3) If an individual with a disability is convicted as an adult under state law and imprisoned in an adult prison, the individual's IEP Team may modify the individual's IEP or placement notwithstanding the least restrictive environment ("LRE") requirements of 20 U.S.C. § 1414(d)(1)(A) and the IEP contents requirements of 20 U.S.C. § 1414(d)(1)(A) if there is a bona fide security or compelling penological interest that cannot otherwise be accommodated.
